concepts they should have learned by the end of kindergarten. They will gain a better understanding of number concepts and will expand their math abilities.

What to Expect From a First Grade Math Curriculum

The first two units focus on multiplication and multiplicative thinking. Unit 1 reviews and extends multiplication work from third grade and examines factors and products, as well as prime and composite numbers. Unit 2 delves deeper as students explore and extend strategies, concepts, and models related to multi-digit multiplication.

Homeschool Math Curriculum Grades 1-3. Life of Fred. Life of Fred takes a very non-traditional approach to math. It is an engaging series of stories about five-year-old Fred who is a professor at Kittens University. All of my kids have loved these books. Life of Fred books don't have repetitive worksheets or problems.
