While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

A Short Guide To Customs

Customs Duty is a tariff or tax imposed on goods when transported across international borders. The purpose of Customs Duty is to protect each country's economy, residents, jobs, environment, etc., by controlling the flow of goods, especially restrictive and prohibited goods, into and out of the country. Dutiable refers to articles on which Customs Duty may have to be paid.

It is impossible to describe a whole culture in such a short book. On any given day I see people in the streets of Morocco that are dirt poor and believe in magic and witch doctors. At the same time there are people in Morocco that are wealthier than any of the people I know in America and have very Western mind sets.

Culture Shock! Morocco: A Survival Guide to Customs and ...

Learning about a country's customs and culture can help guide travelers through sometimes-challenging foreign waters, without leading to embarrassing faux pas. For instance, it is not uncommon for a well-dressed Japanese gentleman to make loud slurping noises while he downs his soup in a noodle shop.

Unfortunately if you have chosen to use a slower form of shipping such as airmail, in many countries customs is a slow and stressful process. Be prepared to simply wait to receive your shipment. Often, shipments are held up in customs to check that the contents of the package and the value of the goods were declared accurately.
