Adaptation Specialization And The Theory Of The Firm ...

The acquisition, specialization, and integration stages of development are represented by three levels of adaptation, each one representing successively higher-order forms of learning. In the acquisition stage of development, adaptation takes the form of performance governed by a simple registrative consciousness.

Experiential Learning Theory | International Centre for ...

"Adaptation Theory and Criticism is a timely and welcome contribution to adaptation studies. Turning a postmodern lens on 'American adaptations, supplementations, and citations,' Slethaug generates fresh, incisive readings of an array of adaptive texts, ranging from acclaimed works by Scorsese and Altman to overlooked gems by Wang, Eyre, and Jarmusch (to name but a few).

Organizational Adaptation Theory: Definition & Application ...

Local adaptation is the first step in the process of ecological speciation. It is, however, an unstable and dynamic situation. It can be strengthened by the occurrence of alleles more specialized to the different habitats or vanish if generalist alleles arise by mutations and increase in frequency. This process can have complicated dynamics as specialist alleles may be much more common and may ...
