A few examples are: administrators initiate policy, administrative acts have political consequences, and administrators shape policy after the fact and civil servants are not politically neutral. Skelley, B. D. (2008) Another aspect of the administrative-political divide is the philosophical ideals in the western culture of the Greek civic-culture (political) and the Roman imperial ...

Administrative and Politics Dichotomy - Law Schools

Administrative law scholarship is often intertwined with political events of the day. Government acts, and administrative law scholars react. Our current political moment, however, includes so much harsh rhetoric, and along with that rhetoric, an almost eager willingness to cast those with whom we disagree politically as an evil “other.”
