Anticancer : A New Way of Life by readbook · 1 September 2017 An updated edition for 2011 including all the latest medical research and up-to-date studies. An approachable, empowering guide to staying healthy and fighting disease. Would it surprise you to hear that one in four people are affected by cancer?

### Anticancer : A New Way of Life | Read Book Summary

What bothers me about Anticancer A New Way of Life by David Servan-Schreiber is that the title deceptively limits the reading audience. With a title like Anticancer the book permeates the idea that it should only be read by cancer patients. On the contrary, this incredible book is a must-read for

not only cancer patients but anyone who is at risk of developing cancer in her lifetime.

### **Book Review: Anticancer A New Way of Life by David Servan ...**

Anticancer's synthesis of science and personal experience marks a transformation in the way we understand and confront cancer. A long-running bestseller that has changed the lives of millions around the world, Anticancer remains a pioneering and peerless resource, an inspirational and revolutionary guide to "a new way of life."
