What is the APA Citation Style? The APA citation style (6th Edition) is a parenthetical author-date style, so you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.

APA style also includes guidelines for providing keywords under your abstract, but this is only required in some situations. If your professor doesn't mention it, you probably don't need to include them. That said, if you do need to include keywords, they should appear on the line immediately after the last line of your abstract.

A hanging indent is an APA guideline for formatting your reference page. What does a hanging indent look like? The first line of your reference will line up with the left margin and each line after will be indented one-half inch from the left margin. It basically is opposite of a normal paragraph where you indent the first line. Here is an example:

Hanging Indent - APA 6th Edition Guide - RasGuides at ...
