to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi.

Cambridge Mathematics Extension 8

Write down the answer to $35 - 3 \times 8$. Solution You need to do the calculation in the correct order. BIDMAS helps us to remember the correct order: Brackets, Indices, Division and Multiplication, Addition and Subtraction. So we do the multiplication first, followed by the subtraction: $35 - 3 \times 8 = 35 - 24 = 11$ Question
