### Conversational Intelligence: How Great Leaders Build Trust ...

Conversational Intelligence is our most powerful and human and hardwired skill of connecting with others through conversations. When leaders turn to each other to draw out our best thinking and translate that into action, we are exercising our Conversational Intelligence.

### Conversational Intelligence | HuffPost

When leaders honor and respect how our WE-centric brains respond to change, they will become champions of a new level of leadership fueled by applying all three levels of Conversational Intelligence at the right time and in the right way. Conversational Intelligence gives us tools for letting go of the past and transforming the future.

### Brought to you by - Conversational Intelligence

Conversational Intelligence speaks of levels, with the lowest level being "ask and tell", Level I, associated with low trust, progressing to Level III high trust, which Glaser calls "co-creation". Glaser provides a five-step model for building trust - which I'd argue is more about deep communication than the development of trust.
