Advanced Engineering Mathematics : K.A. Stroud : 9780230275485

Even mathematics undergraduates would probably benefit from it as part of their reading diet. It's been the 'staple' diet for such courses fo This book represents a masterpiece in clear exposition. It takes the patient reader from quite basic mathematics through to that required by third year undergraduates in engineering and physical science courses in planned, frame-based, systematic and ...

Engineering Mathematics by K.A. Stroud - Goodreads

Engineering Mathematics by Stroud has been around since the 1960's and is still going although the 6th edition is a much improved version on the earlier editions. It is very easy to read and to follow and is a favourite with first and second year engineering students at University. Also the book of choice for H.N.D and H.N.C.students.
