This particular book was required reading for my under graduate program in the area of international affairs.

## **Forgotten Continent: The Battle for Latin America's Soul ...**

the forgotten continent Scarcely a month goes by without some political leader or ageing rock star urging the citizens of the world's richer countries to do something to aid Africa. With similar frequency, as yet another statistic of economic advance comes out of Asia, we are assured that the world's future lies in China and India.

## **Forgotten Continent: The Battle for Latin America's Soul ...**

All this makes Forgotten Continent a strangely relevant book, 10 years after it was first published. The subtitle, "the battle for Latin America's soul", refers to the threat that populism poses to the incipient and fragile democracies of Latin America.

The item may be missing the original packaging (such as the original box or bag or tags) or in the original packaging but not sealed.

### **Forgotten Continent : The Battle for Latin America's Soul ...**

Latin America has often been condemned to failure. Neither poor enough to evoke Africa's moral crusade, nor as explosively booming as India and China, it has largely been overlooked by the West. Yet this vast continent, home to half a billion people, the world's largest reserves of arable land, and 8.5 percent of global oil, is busily transforming its political and economic landscape. This ...

### **Forgotten continent : the battle for Latin America's soul**

"Michael Reid's insightful book makes a compelling case for democratic reformism, not autocratic populism, as the way forward in the raging battle for the Latin American soul. A vivid lesson in history, it is a must-read for Latin Americans and all those interested in grasping the challenges of a vibrant and complex continent."—Fernando ...
