Fundamentals Of Investments Valuation And Management
Fundamentals of Investments focuses on students as investment managers, giving them information to act on by placing theory and research in the proper context. The text offers a balanced, unified treatment of the four main types of financial investments—stocks, bonds, options, and futures.

Amazon.com: Fundamentals of Investments: Valuation and Management
Fundamentals of Investments is aimed at the introductory investments class with students who have relatively little familiarity with investments. The text is written in a relaxed, informal style that engages the student and treats him or her as an active participant rather than a passive information absorber. Fundamentals appeals to intuition and basic principles whenever possible because the ...
