Happy Hens And Fresh Eggs

We rotate our Happy Hens for a couple reasons. To give them access to fresh vegetation and yummy bugs. To get an even spread of the best fertilizer (chicken poop) on the whole pasture so the next season it comes back full of nutrients! The Certified Humane Standard for Pasture-Raised hens is 2.5 acres per 1000 hens (108 sq. ft. per bird).

Meet Ronnie... the man about the house coop. Visiting my family on a recent trip to Ireland, I met Henrietta, Rosie, Bride, Moon and Shelly... these feathered ladies supplied my sister's household with an abundance of fresh eggs. I have always favoured the colour of brown eggs over white... they look much more appealing.
