Many of the most basic and common words in use in English today have their roots in Old English, including words like water, earth, house, food, drink, sleep, sing, night, strong, the, a, be, of, he, she, you, no, not, etc. Interestingly, many of our common swear words are also of Anglo-Saxon origin (including tits, fart, shit, turd, arse and, probably, piss), and most of the others were of ...

The History of English - Old English (c. 500 - c.1100)
The ancient roots of harvest festivals stretch back to a time when hunger was a constant threat and societies felt at the mercy of the gods. Thanksgiving now is a thriving, modern holiday—a blend of religious and secular—still celebrated around the world in various ways, with honor being paid to the bounty of our lives, shared among strangers, family, and friends.

Old English did not sound or look like English today. Native English speakers now would have great difficulty understanding Old English. Nevertheless, about half of the most commonly used words in Modern English have Old English roots. The words be, strong and water, for example, derive from Old English. Old English was spoken until around 1100.

History of English | EnglishClub
Most native English speakers today find Old English unintelligible, even though about half of the most commonly used words in Modern English have Old English roots. The grammar of Old English was much more inflected than modern English, combined with freer word order , and was grammatically quite similar in some respects to modern German .

Proto-Indo-European may have been originally spoken in what is currently southern Russia possibly sometime between 7000 and 4000 BC. Scholars have studied the various languages that derived from Proto-Indo-European in an effort to find similarities that suggest what may have characterized PIE since it existed before written or audio record.
