Krystal Clear Saltwater System CG-26669, 110-120V with GFCI

Codes 91 and 92 The LED display in the Intex chlorinator can display a number of error codes, and two of the most common are 91 and 92. Code 91 indicates the salt level is too low, and Code 92

Read Online Intex Saltwater System Manual Code 93

indicates it's too high. Whenever you see these codes, it's important to test the water before doing anything else, because the code may be an error.
