Laptop buying guide - YouTube

Most buying guides and shopping advice tend to get bogged down in the specs, mechanically listing subcategories within subcategories. Instead, I'll break out the most important things to know when looking for a new laptop, with deeper explanations available in any of our in-depth system reviews. To start with, here are my

Florence County Library System

The operating system is the heart of your laptop. It manages all software and hardware, including files, memory and connected devices. Most importantly, it lets you interact with your laptop and your programs in a visual way (otherwise, you'd be typing a bunch of computer code to get anything done).
