PERFORMANCE MEASUREMENT AND MANAGEMENT CONTROL: THE ...

The system's design is about the structure of your management control system. The system's performance is an indicator of the process of your management control system. The other key thing to realize about the characteristics of MCSs is about two separate natures the system has. MCS essentially has an informal and a formal control system.

Management Control System - Definition, Characteristics ...

Performance measurement and performance management may sound similar, but while they are complementary to one another, they are entirely separate strategic practices.. The Balanced Scorecard creators, Drs. Robert S. Kaplan and David P. Norton, played a large role in championing these terms. In 1996, Kaplan and Norton published The Balanced Scorecard: Translating Strategy into Action.

Performance Measurement Vs. Performance Management

Their central focus is on the management of organizational performance. Because the framework has been inductively developed, its application is 'tested' against three major systems of organizational control, namely budgeting, economic value added and the balanced scorecard.
