Also there is some repeating in the chapters. I love a POV story, especially the way M. Robinson alternates within the chapter, however the repeating of the previous lines seem like filler, not expanding of the story. That being said, MVP was an excellent addition to the VIP series. Last week whilst on holidays I read ALL the VIP Books over a 3 day period and can not believe how M Robinson's works are not given greater exposure. I seriously loved ALL the main characters, Ysabelle, Sebastian, Madam etc, and was impressed with the complexities of the journey faced by each of them throughout all of the VIP Books.

A minimum viable product (MVP) is a version of a product with just enough features to be usable by early customers who can then provide feedback for future product development... A focus on releasing an MVP means that developers potentially avoid lengthy and (ultimately) unnecessary work. Instead, they iterate on working versions and respond to feedback, challenging and validating assumptions ...
