One victim had a fractured skull; two others had major chest fractures, one body was missing both its eyes, and one was missing a tongue. The investigation concluded that a "compelling natural force" had caused the deaths. Numerous theories have been put forward to account for the unexplained deaths, ...

Dyatlov Pass incident - Wikipedia

(27) If any man speak in an unknown tongue.--Better, If any man speak in a tongue. Here is the practical application of the general rule just laid down to the exercise of the gift of tongues. Those who had that gift were not all to speak together, and so cause confusion; only two, or at the most three, were to speak in each assembly, and each of such group was to speak in turn, one at a time.
