The Optoma HD66 is a attractive option for the user who wants a home theater projector in a small, compact package.

Optoma HD66 - Reviewed Projectors

The Optoma HD66 is a DLP home theater projector that offers a 720p video resolution and lots of lumens in a small, compact package. It would be a good pick for users who want to watch movies in several locations, but we found that to get the best color accuracy out of the device, we had to turn the brightness down significantly, and it doesn't have the power to show
