What kind of gun on Panasonic
Gunslinger? 09-06-2006, 10:01 PM. I
bought a used Gunslinger 260 (not the
newer 261) and need some parts for the
gun. The diffuser says Tweco 52 and the
cable says Tweco, but there are no other
markings on the gun (no model number,
etc.). ... He also emailed me a manual.
Kudos to Panasonic!! Comment. Post
