My Personal Teaching Philosophy Education Essay

My personal philosophy of education is comprised of essential ideals that I believe an effective teacher should possess. Every single child on this earth is different, so how can I assume that a simple lecture is enough for my students? John Dewey professed about teaching to the whole child; that is just one little piece that I think makes an effective teacher.

My philosophy of education are the types that are known as progressivism and existentialism. I believe that for me a combination of the two is a perfect way to teach. Progressivism is ideal because the teacher gives the student a say in what they can do within the classroom. It is a hands on system of working. I believe that students can learn very well if they do activities themselves.
