Pirates of Barbary: Corsairs, Conquests and Captivity in ...

Fear of European conquest had turned the Barbary states into pirate kingdoms in the first place, motivating the Barbarossa brothers and their sixteenth-century corsairs to set out on their sea-jihad. Without that fear of conquest, Barbary's socialized piracy would never have grown into the scourge of Christendom; its followers would not have become the shock troops on the front line of the defense of the Islamic world.

At dusk the corsairs were still a little way off, and the master of the Mary lost his nerve and gave the order to hoist sail. In the darkness the vessel almost managed to escape, but dawn saw the pirates closing fast. After a short fight in which six of the English were killed and others wounded, the pirates took control of the Mary. The survivors joined the crews and passengers from the other two vessels, both of which had been taken in the night.
