I bought this book to study the fundamentals of psychology. I thought that the seller was just saying that the book was in good condition, but it turns out he was wrong, IT WAS IN AN ALMOST "BRAND NEW" CONDITION. The pages were clean with little to no smudges or marks. The spine was a little worn out and some of the pages were coming out (only one).

Psychology 6th Edition Nairne - placement.reformededucators.org

Nairne builds all topics around an adaptive, problem-solving framework. He emphasizes the way that particular behaviors, though processes, and emotions help people solve problems-from memorizing a telephone number, to ducking under cover as a building begins to shake, to producing a quick physical response in the face of traffic hazards.
