It's often been said that there are three rules when it comes to addiction in the family: Don't speak, don't trust and don't feel. At Addiction Campuses, we believe there is one additional rule: Don't move. The following explains how these rules come into play in an addictive household: Don'T Speak.

### Policies & Procedures RECOVERY HOUSE

All of the rules, regulations, and policies may seem burdensome, but the reality is these things are in place to give you the best chance for future success in your personal recovery. Often times, our substance use creates various interpersonal and internal behavioral issues that require strict enforcement of accountability measures.

### Residential Treatment: Why You Should Follow Drug Rehab Rules

1. No Cell Phones or Computers. Most drug rehab centers forbid you to bring your cell phones or computers, or if you are allowed to use them, you may have restricted access. The idea behind this is so that you can't make any calls to people who have drug or alcohol connections, or any other sensitive communication.
