The first type is the kind of person that magic is really being preformed for. This type just enjoys that feeling of wonder magic can create and loves to be fooled and entertained by it. Revealing the tricks to this sort of person would probably mean ruining all the magic for him or her. That is not our goal.

What is a self-working card trick? A trick that does not depend upon legerdemain or special abilities on the part of the magician, but a trick that works automatically because of the mathematics inherent in the card deck itself. Long practice and supernormal dexterity are not needed to perform these tricks, yet they are often among the most entertaining and most spectacular of all card tricks.
