Whether a friendship, family relationship, or business or personal partnership, any bond is built on trust. Without trust, you have nothing. With it, you can do great things. Think about it.

30 Quotes on Trust That Will Make You Think | Inc.com

Smart people use this input to work on themselves and change the things they have the power to change. Arrogant people look for excuses and choose to blindly believe in their judgement without any retrospect. Not only does this kind of behaviour hinder your future success, it also drives people and allies away from you. 10.
