Story Of The World Activity

The Story of the World Volume is a spine that is the center of your history curriculum. What I enjoy about these books is that you can pick and choose what you would like to use, and how detailed you want your curriculum to be. The activity books are very nice, but I have found that sometimes we don't use everything in the book.

FREE Printables You Can Use With Story of the World ...

The Story of the World Activity Guides also provides extensive lists of both history and literature book lists to complement each chapter. It is definitely worth checking to see if you can access the audio versions of some of these books! I've found many of them available on Audible.
