Black book of communism : Stephane Courtois, Mark Kramer ...

The Black Book of Communism, one of the largest most blatant distortions of history. The fraudulent death tolls contained in the book are the single most quoted anti-communist source in the world. The book not only bashes socialism and makes it out to be worse than fascism, it outright tries to portray fascism as a good thing.

The Black book of communism (1999 edition) | Open Library

The Black Book of Communism, which is finally appearing in English, is an extraordinary and almost unspeakably chilling book. It is a major study that deepens our understanding of communism and poses a philosophical and political challenge that cannot be ignored.

The Black Book of Communism: Crimes, Terror, Repression ...

This international bestseller plumbs archives in the former Soviet bloc to reveal the actual, practical accomplishments of Communism around the world: terror, torture, famine, mass deportations, and massacres. The authors show how and why, wherever the ideology of Communism was established, it quickly led to crime, terror, and repression.

The Black Book of Communism — Stéphane Courtois, Nicolas ...

A book about Communism by ex-communists. Revealing and interesting. A weak point of the book is that a leftist bias remains. The authors are prisoners of history in the sense that a residue of their gullibility remains and distorts the book.Some of the atrocities of the Reds are documented, although there is undue emphasis on Communist victims of the relentless Communist purges.

Buy The Black Book of Communism - Crimes, Terror ...

The biggest lies ever concerning communism are debunked. The authors did such a bad job they were forced to admit it and print a retraction. They said the ch...

Black Book of Communism Debunked - YouTube

The Black Book of Communism, written by Stephane Courtois has been called into question on multiple different grounds.Some critics have objected to the book's depiction of communism and nazism as being similar, others have criticized the approach the book takes to assigning blame of deaths, and still others, most notably J.Arch Getty, for its lack of distinction between famine deaths and ...

Is the Black Book of Communism an accurate source ...

" The heart of the Black Book is a compilation and description—in mesmerizing objective prose—of the slaughters visited upon populations around the world by communist dictators in the 20th century... The Black Book is an elegantly simple and valuable record of a time many would like to forget—but will have to deal with.
