Cultural Compensation The Examined Life strikes me as a re-incarnation of Scott Peck's The Road Less Travelled which was published 40 years ago - before Ronald Reagan and Margaret Thatcher decreed the non-existence of society. Both books are written with the same structure of patient case studies. They contain the same histories of development of the writers into therapeutic maturity; the ...

We should be examining each possibility and every contention even if an agreement or conclusion cannot be reached. The Meno teaches us that it is the back and forth conversing and argumentation that makes for an examined life. It is the lengthy dialectical conversation between Socrates and Meno in this dialogue that makes for the examined life.
