### The Quasi War In East

The Quasi-War was an undeclared naval war fought from 1798 to 1800 between the United States and France. Most of the fighting took place in the Caribbean and off the Atlantic coast. The war originated in disputes over the application of the 1778 treaties of Alliance and Commerce between the two countries. France, then engaged in the 1792-1797 War of the First Coalition which included Great Britain, viewed the 1794 Jay Treaty between the US and Britain as incompatible with those treaties, and ret

### Quasi-War - Wikipedia

Today, over a century later, the "quasi-war" still continues as China and Japan once again engage in another island dispute, this time over the Senkaku (Tiaoyutai or Diaoyutai) Islands-a related issue to the Ryukyu problem. Thus, the "quasi-war" is still very much alive in East Asia even in the early 21st century. Dr.

### The Quasi-War in East Asia: China's Dispute with Japan ...

The conflict lasted between 1798 and 1800, and was a formative moment for the United States. Although it occurred during John Adams' presidency, the Quasi War involved George Washington in two significant ways. The Quasi War was the first time that American neutrality, which had been championed by Washington as president, found itself under attack. In addition, once the conflict began John Adams sought George Washington's military expertise, reinstating him as Commander-in-Chief.
