The Success System That Never

Stone believed the key components of a success systems that never fails are (1) inspiration to action; (2) know how; and (3) activity knowledge. The system should be managed based on a record of "success indicators", which was his sales log. The system should be constructed by documenting what works, including phrases that customers respond to.

THE SUCCESS SYSTEM THAT NEVER FAILS

Much of what is known about Stone comes from his autobiography The Success System That Never Fails. In that book, he tells of his early business life, which started with selling newspapers in restaurants. At the time, this was a novel thing to do, a departure from the typical practice of boys hawking newspapers on street corners.
