The West Indies is a subregion of North America, surrounded by the North Atlantic Ocean and the Caribbean Sea that includes 13 independent island countries and 18 dependencies and other territories in three major archipelagos: the Greater Antilles, the Lesser Antilles, and the Lucayan Archipelago.. The subregion includes all the islands in the Antilles, plus The Bahamas and the Turks and ...

West Indies - Wikipedia

The West Indies have a tropical maritime climate. Daily maximum temperatures over most of the region range from the mid-80s F (upper 20s C) from December to April to the upper 80s F (low 30s C) from May to November. Nighttime temperatures are about 10 °F (6 °C) cooler. Most islands experience a wet and a dry season; annual rainfall totals range from 30 to 80 inches (800 to 2,000 mm) but reach ...
