Wedding of the Waters: The Erie Canal and the Making of a Great Nation. Peter L. Bernstein. The building of the Erie Canal, like the construction of the Brooklyn Bridge and the Panama Canal, is one of the greatest and most riveting stories of American ingenuity. Best-selling author Peter Bernstein presents the story of the canal's construction against the larger tableau of America in the first ...

Wedding of the Waters - Erie Canal Museum

The history of the Erie Canal is a story of American ingenuity. A great project that Thomas Jefferson judged to be "little short of madness," and that others compared with going to the moon, soon turned into one of the most successful and influential public investments in American history. In Wedding of the Waters, best-selling author Peter L. Bernstein recounts the canal's creation within the ...

Wedding of the Waters: The Erie Canal and the Making of a ...

This "wedding of the waters," as it came to be known, was the symbolic completion of the Erie Canal, the most important waterway of its day and the engineering project that once and for all sealed New York's fate as the most important commercial city in America.

November 4, 1825: "The Wedding of the Waters"

The Erie Canal stretches for 363 miles, from Albany to Buffalo. Its construction was a major event in American history: by creating a water link between the Great Lakes and the Atlantic Ocean via the Hudson River, the Erie Canal dramatically accelerated the development of the American interior, linked the Midwest and the East together in an economic and political unit that would dominate ...

Wedding of the Waters: The Erie Canal and the Making of a ...

Featuring a rich cast of characters, including not only political visionaries like Washington, Jefferson, van Buren, and the architect's most powerful champion, Governor DeWitt Clinton, but also a huge platoon of Irish diggers as well as the canal's first travelers, Wedding of the Waters reveals that the twenty-first-century themes of urbanization, economic growth, and globalization can all be ...
